The last issue of the journal *Quaderns d'arquitectura i urbanisme* (issue 265) has been granted the FAD Thought and Criticism Award 2015.

The journal, which features a leading article titled *Home and contradiction*, is dedicated to housing and contains an interview with Ada Colau, held before becoming Mayor of Barcelona. The journal presents several houses and pays special attention to cooperative housing, discussing with architects Martí Anson and Manuel Brullet about their experience with a collective housing built in Mataro.

COAC congratulates the editorial staff of the journal, formed by Ethel Baraona, Guillermo López, Anna Puigjaner and José Zabala, for the Award, given *exaequo* with the *Desierto* manifesto by Gabriel Ruiz-Larrea, Nuria Úrculo and Natalia David.
