DESIGN STUDIO LECTURES
SEMINAR LECTURES
BARCELONA ARCHITECTURE CENTER

The Barcelona Architecture Center will host the spring 2016 BAC Lecture Series. The conferences will take place from January 2016 until April 15th at the "Barcelona Campus", a network of architect, landscape architect, design, artists, or studios and centers which comprise the private and academic context of the BAC, providing a community. The lecture series seeks to raise these connections, bringing students, professionals and local institutions into contact to create or learn for conversation and debate on current topics in architecture and related professions.
