La sostenibilitat a la construcció - jornada TECHNAL ^[1]

A modern interior space featuring a minimalist living area. On the left, a grey sofa with several cushions sits on a light-colored wooden floor. A small, dark, round side table is next to it. A large, framed abstract painting hangs on the white wall. To the right, a large window offers a view of a city at night, with lights from buildings visible. A glass railing with a thin metal handrail runs along the edge of the room. Behind the railing, a large potted plant with green leaves and a tall, thin, yellow plant are visible. A small, round, dark table with a yellow chair is positioned near the plants. The wall behind the plants is made of vertical wooden slats.
