BAC Spring 2016. Conferència de Roger Paez i Blanch ^[1]

The Barcelona Architecture Center will host the spring 2016 BAC Lecture Series. The conferences will take place from January 2016 until April 2016 at the "Barcelona Campus", a network of architect, landscape architect, design, interior, product, or models and centers which comprise the private and academic context of the BAC, architecture community. The lecture series seeks to raise these connections, bringing students, professionals and local institutions into contact to create or learn for conversation and debate on current topics in architecture and related professions.
